### **What are we looking for?**

We are seeking teaching artists that have a passion to teach aspiring artists what it takes to be creatives at their best. **Mentors** should have a skilled, experienced, background in their arts discipline and they should provide guidance, motivation, support and leadership towards the mentee. **Mentees 18+** that are open to learn, be advised, trained or counseled by a mentor in their arts discipline are encouraged to apply. Create a workshop/project/event as a collaboration over the spring/summer of 2025.

**\*\* One application is needed per pair \*\***

### **What do you need to apply?**

- **Two Teaching Artists** (Any art form is permissible): One teaching artist as a Mentor, the other teaching artist as the Mentee. The two TA's will need to plan and execute a project together.
- **Project:** This project,workshop or event can be in any arts discipline. The mentorship should meet at a **minimum of six sessions OR 12 dedicated total hours or mentoring**. Your target audience can be with kids, teens, young adults, adults or senior citizens in k-12 or community spaces of your choice. The mentor will be the lead artist, however, the mentee will be expected to be involved in all aspects of the event/classes/residency. Mentors should be hands-on and have the opportunity to help and/or observe communicating with the host site, planning, setting up, running the events and evaluating the effectiveness. Your project/workshop/event could be offered for a charge OR Teaching Artists can offer this project/event/class to venues for free.
